If you or your employee have sustained an injury or contracted an illness which may be covered under your policy, please complete and return the attached form without delay to enable us to consider your claim. For Group Policies, Sections A to E can be completed by either the Insured Company or the Insured Person; however both parties must thoroughly check the contents of the form and sign the relevant declaration. Section F must be completed by the Insured Persons usual Doctor.

In addition to this claim form, we will require all original medical certificates throughout the entire period of disability.

Fraud Prevention and Detection

In order to prevent and detect fraud we may at any time:

- Share information about you with other organisations and public bodies including the Police;
- Undertake credit searches and additional fraud searches;
- Check and/or file your details with fraud prevention agencies and databases, and if you give us false or inaccurate information and we suspect fraud, we will record this to prevent fraud and money laundering.

We can supply on request further details of the agencies and databases we access or contribute to and how this information may be used. If you require further details please contact us at:

Policy Investigation Unit, Aviva, PO Box 121, Surrey Street, Norwich, NR1 3ZH, Telephone: 0345 300 0597.

Claims History

- Under the conditions of your policy you must tell us about any insurance related incidents (such as accidents, bodily injury, illnesses or incidents whilst travelling on business) whether or not they give rise to a claim. When you tell us about an incident we will pass information relating to it to a database.
- We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

In assessing any claims made, the insurer or its agents may undertake checks against publicly available information such as electoral roll, county court judgments, bankruptcy orders or repossessions. Information may also be shared with other insurers either directly or via those acting for the insurer (such as loss adjusters or investigators).

You should show these notices to anyone who has an interest in the insurance under the policy.

Thank you for your assistance in completing this form.

YOUR RIGHTS/ACCESS TO MEDICAL REPORTS ACT 1988

Access to your medical information

We need information about your health from your doctor to support or check the details provided to us as part of this claim. This form explains how we obtain your medical information, why we need it, and gives important information about your rights. You'll need to sign it and return it to us. You don't have to do so, but if you don't we may be unable to process this claim or proceed with any benefits for a claim already in existence.

What information we need and why we need it

We need your consent to ask your doctor for a report containing specific medical information about your health, to review your claim and to consider whether your reported injury or illness is covered by your policy.

We do this under the Access to Medical Reports Act 1988 (or if you live in Northern Ireland or the Isle of Man, the Access to Personal Files and Medical Reports (Northern Ireland) Order 1991 and the Isle of Man Access to Health Records and Reports Act 1993 respectively). This is specific legislation which allows insurers, like Aviva, and our claims processors to, with your consent, obtain a medical report which helps us to review your claim in full.

Once we've got the report, we may need to ask for supplementary records (such as specialist letters or x rays) from your doctor to give us any additional information we need to fully assess your claim.

Please be assured that we'll only ask for, and only take into account, the medical information that we need for the claim you are making. We respect the confidentiality and privacy of your information and will ensure that your medical information isn't kept for longer than is necessary and is safe in our hands.

What you need to know

- By signing this form, you give consent to Aviva, who is the insurer of your policy, to request a medical report from your doctor.
- We'll use this form as proof that you've given your consent to request a medical report from your doctor.
- You can withdraw your consent at any time before your doctor sends the medical report to us. If you do change your mind, we may be unable to process your claim or proceed with benefits for a claim already in existence.
- You can ask your doctor to send a copy of the medical report they are preparing before they send it to us. If you would like them to do this, let us know and we'll tell your doctor so they can keep the report for you. You will then have 21 days to arrange to see it with your doctor's surgery. Your doctor will send it to us, unless you tell us that you are withdrawing consent to access the report.
- You can ask your doctor for a copy of the medical report at any time. They should keep a copy for up to six months after sending it to us. If you would like to see a copy of the report at a later date, we can send them a copy to pass on to you.
- If you think any part of the medical report is incorrect or misleading, you can ask your doctor to amend it. If your doctor refuses, you can ask them to attach a statement outlining your views to the report.
- Your doctor can withhold access to the medical report if they feel it would cause physical or mental harm to you or others.

What types of medical information we ask for

We'll ask your doctor to prepare a medical report containing information about:

- your medical history, including details of any relevant illnesses, trauma, hospital admissions, medical consultations, referrals, tests or investigations and treatments you may have had; and
- your current state of health including any care, medication or treatment you're receiving and the results of any referrals or tests you're waiting for.

We won't ask your doctor to include information about:

- Negative tests for HIV, hepatitis B or C;
- sexually-transmitted diseases – unless there could be long-term effects on your health; or
- predictive genetic test results.

If this information is included in the medical report, we won't take it into account when considering a claim except for:

- genetic tests for Huntington's disease, but only when the total amount of your life cover is more than £500,000.
- favourable genetic test results, if they show that you haven't inherited a condition your family suffers from.

I wish to see the report before it is sent to the company*

I do not wish to see the report before it is sent to the company*
